Location leaders for fall clean up reported that mayoral candidates and local Councillors were out in support of the fall clean up initiative. Also, there was not a large turnout due to weather.
Elaine Manocha reported we do not yet have a final number of garbage bags that were collected and picked up as part of the fall clean up.

Tisha Polockko suggested we scope out prospective locations well in advance for 2015 clean up as she observed there are local amateur groups picking up litter throughout the year.

Richard Daniel reported the communication to City crews as to the locations of the garbage bags to be collected was successful and fairly effective.
