

Memorandum

To: Budget Standing Committee

Cc: Department Heads

From: Robyn Ertelt

Date: August 11, 2017

Subject: 2018 Schedule of Rates and Fees Recommendations - Report Update

This memorandum is to notify the Budget Standing Committee that the 2018 Schedule of Rates and Fees Recommendations, Report FMS-B031-2017 has been revised from the previously published July 17, 2017 version.

The Performing Arts Centre has requested the addition of ten new fees for implementation in 2018. The fees as well as their financial impact are outlined below and have been reflected in the revised report and appendices.

New Fees:

Film Dining Guide – Per Issue

Outside Back Cover	\$1,250.00 + HST
Inside Front Cover	\$1,000.00 + HST
Inside Back Cover	\$875.00 + HST
Full Page	\$625.00 + HST
Half (1/2) Page	\$375.00 + HST

Other Advertising Fees

Poster Distribution (per 100 posters)	\$150.00 + HST
---------------------------------------	----------------

Standard Venue Rental

Joy H. Williams Upper Lobby

General Rate	Per Hour	\$80.00 + HST
Not For Profit/Charitable/Sponsor Rate	Per Hour	\$60.00 + HST

Cogeco Community Lobby

General Rate	Per Hour	\$80.00 + HST
Not For Profit/Charitable/Sponsor Rate	Per Hour	\$60.00 + HST

Financial Impact of New Fees:

	July 17, 2017 Report	August 11, 2017 Report
City		
Total Number of New Fees for 2018	45	55
Estimated Revenue Increase from New Fees	\$134,824	\$161,294
Total Estimated Revenue Increase	\$252,360	\$278,830
Total Number of Proposed Fees for 2018	1,307	1,317
FOPAC		
New Fees	17	27
Estimated Revenue from New Fees	\$5,103	\$31,573

Report from Financial Management Services, Director

Date of Report: August 11, 2017

Date of Meeting: August 24, 2017

Report Number: FMS-B031-2017

File: 10.57.28

Subject: 2018 Schedule of Rates & Fees Recommendations

Recommendation

That the Budget Standing Committee approve the 2018 Schedule of Rates and Fees; and forward the same to Council on August 21, 2017 for consideration after the public meeting on September 11, 2017, for which notice will be duly given. **FORTHWITH**

Background

User Fees are charged by the City of St. Catharines for purchases of publicly provided goods and services. The rationale for charging fees is that those who distinctly benefit from a service should be the ones to pay for it. The legislation primarily governing user fees is Section 391 of the Municipal Act. The Municipal Act requires municipalities to keep a master list of their user fees (Schedule of Rates and Fees) and outlines policy and procedure considerations for establishing, reviewing and implementing user fees.

In October, 2005, City Council delegated the review of the Schedule of Rates and Fees to the Ad Hoc Budget Committee. This development was further added to on May 9, 2011 when Council approved that Rates and Fees be presented for consideration and approval of Council prior to January 1st of each year.

In January, 2015, the Ad Hoc Budget Committee approved Mayor Walter Sendzik's motion to expand the information provided to include:

- An executive summary of Rates and Fees changes
- Revenue implications
- Comparisons with similar municipalities

In September 2016, the Ad Hoc Budget Committee approved that future increases would be set at a minimum of the core rate of inflation.

On May 31, 2017, the Ad Hoc Budget Committee was advised the core rate of inflation for rates and fees for 2018 would be 1.9%, based on information available in February when staff began the preparation of the 2018 Rates and Fees.

Report

This report presents proposed changes to the Schedule of Rates and Fees for 2018. Staff review rates and fees annually and adjust fees based on the City's cost to deliver services, local market conditions, comparator municipal information and user demand.

Details to the changes in rates and fees are provided in seven appendices.

Table 1: Appendix Summary

Appendix	Topic
Appendix 1	A list of new fees proposed for 2018 and the impact on revenue by department
Appendix 2	A list of existing fee changes greater than \$0.05 and outside the parameters of core inflation.
Appendix 3	A list of fees to be removed/replaced in 2018
Appendix 4	A list of existing fee changes and the impact on revenue
Appendix 5	A list of fee changes greater than \$0.05 and more than 10% and how they measure to our comparable municipalities
Appendix 6	The Schedule of Rates and Fees except for the Cemetery and new fees (added once approved)
Appendix 7	The Schedule of Rates and Fees for the Cemetery

For 2018, the City of St. Catharines has 1,317 user fees. These fees consist of 55 new fees proposed for 2018. These new fees are mainly for new recreational and performing art theater services offered in 2018. New fees may also be created from reviewing fees charged by comparator municipalities. When a comparator Municipality is charging a fee for a similar good or service and the City is not charging a fee, a new fee is created. New fees may also be created to recover the cost of new equipment or technology provided to the public.

Appendix 2 provides a list of fee changes that are greater than \$0.05 and outside the range of core inflation. Core inflation rate used for 2018 Rates and Fees is 1.9%. The majority (70%) of rates and fees have changed by core rate of inflation or less. The percentage of rates and fees that have increased by 2 to 5% is 23%. Approximately 8% of the 2018 rates and fees have increased by greater than 5% but less than 15%.

Staff anticipates inflation will be 2% in 2018 based on reviews of the Bank of Canada's core inflation measures and the Bank's continued commitment to monetary policy aimed at keeping inflation at 2% within a control range of one to three percent. Fees may increase by more than inflation if the fee has not been increased for a number of years, or the cost of providing the good or service is not being recovered. In addition, a fee may exceed core inflation if the average of our comparator municipalities is significantly higher than the fee currently charged by the City. Details of how the City's existing fee changes measure to our comparator municipalities can be found in Appendix 5.

For 2018, 30 fees are being removed from 2017 mostly due to a lack of demand. The details of the deleted fees can be found in Appendix 3.

A complete list of the fees being recommend by staff for 2018 are include in Appendices 1, 6, and 7.

Table 2: Fee Tally for 2018

Category	Number
Total Number of Fees in 2017	1,327
Total Number of Fees to be Removed (deleted) for 2018	(30)
Total Number of Fees to be Consolidated (removed) for 2018	(35)
Total Number of Active Fees (excluding New Fees for 2018)	1,262
Total Number of New Fees for 2018	55
Total Number of Proposed Fees for 2018	1,317

By adopting all of the fee changes above, Staff estimates user fee revenue should increase by \$278,830. This estimate was obtained by multiplying the change in the fee (proposed 2018 before tax fee – 2017 before tax fee) by the forecasted quantities sold during 2014/2015.

Table 3: Estimated Revenue for 2018

Category	Amount
Estimated Revenue Increase from Increases to Existing Fees	\$117,536
Estimated Revenue Increase from New Fees	\$161,294
Total Estimated Revenue Increase	\$278,830

Details of the forecasted revenue from new fees is included in Appendix 1. The revenue forecasted for existing fees is in Appendix 4.

Operations Commission

Transportation and Environmental Services (TES)

For 2018, Transportation and Environmental Services (TES) is proposing the creation of four new fees which is expected to generate approximately \$9,734 in additional revenue. The fees are designed to recover costs associated with road closures, curbs and sewers not previously charged.

TES is also recommending the consolidation of 35 fees. The fee consolidation is the result of an administrative review completed in 2017. Previously, fee minimums and fee charges were listed separately creating confusion for users. By combining the fee minimum into the fee policy, Staff believes the updating of rates and fees will be more efficient and provide greater clarity to users interpreting the fee structure.

Finally, TES is recommending 14 fees increase at a rate greater than the core rate of inflation and one fee remain unchanged. The fees which are increasing are mostly associated with sewers and service calls. The fees are increasing to offset the rising cost of materials, supplies and labour. The fee which is recommended to remain unchanged is controlled by the Niagara Regional Government.

Parks, Recreation and Culture Services (PRCS)

For 2018, Parks, Recreation and Culture Services (PRCS) is proposing the creation of 18 new fees which includes new drop-in and clip card recreation programs, Civic Square and bandshell rental fees and league rates. The impact of the new fees is expected to generate approximately \$48,122 in new revenue. PRCS is also recommending all but 26 existing fees increase by approximately 1.9%, the core rate of inflation. Fees exceeding the core rate of inflation are being increased to improve the City's cost recovery while remaining competitive in the local market. Fee decreases are recommended for seven fees in order to remain price competitive. Included in the decreased fees is the Teen Program-Drop-In Fee which is being reduced to zero. This change is on a one trial basis. This proposed change is an attempt to remove the cost barrier to these programs. Participation rates for these types of programs are usually low. Finally, PRCS is recommending the removal of 11 fees due mainly to declining demand.

Based on the information available existing fee revenue should increase by approximately \$58,056 in 2018.

Victoria Lawn Cemetery (VLC)

For 2018, the Victoria Lawn Cemetery (VLC) is not proposing the creation of any new fees or the removal of any existing fees. The 1.9% core inflation increase is being applied to all existing fees except for five fees which are not changing and are controlled by the Ministry of Government & Consumer Services.

FirstOntario Performing Arts Centre (FOPAC)

For 2017, the FirstOntario Performing Arts Centre (FOPAC) is proposing the creation of 27 new fees which is expected to generate approximately \$31,573 in new revenue. The fees are designed to recover costs associated with equipment and services not previously charged.

FOPAC is recommending all but 49 existing fees change by the core rate of inflation of 1.9%. Fees exceeding the core rate of inflation are being increased to improve revenue maximization goals. Zero percent increases are being proposed to ensure the price remains competitive in the local market and some fees are slightly over the core rate of inflation due to numerical rounding caused by the majority of fees being rounded to the nearest dollar to assist in advertising and standardization goals.

FOPAC is also recommending the removal of 14 fees due mainly to declining demand.

Corporate Support Services

Financial Management Services (FMS)

For 2018, Financial Management Services (FMS) is proposing the creation of four new fees which is expected to generate approximately \$48,673 in 2018. In addition, seven monthly parking lot fees are being replaced with three monthly parking permit classification fees. The parking permit classification is designed to improve administrative efficiency by reducing the number of by-law changes required to make a change to parking operations. The fee structure for the parking permit in 2018 will remain the same as in 2017.

Legal and Clerks Services (LCS)

For 2018, Legal and Clerks Services (LCS) is not proposing the creation of any new fees. The 1.9% core inflation increase is being applied to all existing fees except for three which are connected to dog licenses. The three fees are increasing above inflation to recover administrative fees charged by the contractor. These administrative fees start when the number of licenses sold by Docupet surpasses a threshold. In 2018, the threshold is expected to be exceeded. In addition, LCS is recommending the replacement of two fees and the removal of three fees as a result of an administrative review. The replaced fees are designed to improve Staff and the general public's understanding of the interpretation of the fees. The three fees being removed are to ensure users are not over charged as elements of these fees already exist.

Planning and Building Services (PBS)

For 2018, Planning and Building Services (PBS) is proposing the creation of two new fees which is expected to generate approximately \$23,193 in additional revenue.

PBS is recommending a 2.4% increase for all building fees as per report PBS-103-2017 and a 1.9% increase to all planning fees. Based on the information available the increases to existing fees are expected to generate approximately \$26,528 in additional revenue.

Finally, PBS is recommending the removal of two fees for manual services that are now available electronically.

Fire and Emergency Management Services (FEMS)

For 2018, Fire and Emergency Management Services (FEMS) has applied the 1.9% core inflation increase to all of the 2017 fees. No new fees have been created and no existing fees have been removed.

Financial Implications

All departments and sections have provided an estimate of the increase in expected revenue for 2018, by adopting all of the fee changes above, Staff estimates user fee revenue should generate an additional \$252,360.

Table 22: Estimated Revenue for 2018

Category	Amount
Estimated Revenue Increase from Increases to Existing Fees – details in Appendix 3	\$117,536
Estimated Revenue Increase from New Fees – details in Appendix 1	\$161,294
Total Estimated Revenue Increase	\$278,830

Relationship to Strategic Plan

Review of rates and fees addresses the Strategic Plan goal, under the economic sustainability pillar, to be an affordable city for young people, families and retired adults.

Specifically, rates and fees has implications for action items:

- Updating financial controls and debt management strategy to better manage escalating costs of City operations and services
- And assist the City with working to achieve a budgetary tax rate increase at or below the rate of inflation by 2018.

Conclusion

Staff recommends the 2018 Schedule of Rates & Fees be accepted and the Budget Standing Committee approve the proposed fee changes as indicated in Appendix 1, 3, 6 and 7.

Implementing the proposed changes to rates and fees in this report would allow for sustaining or improved cost recovery for our programs and services. Many of the fee recommendations in this report are intended to maximize revenue while taking into account changes in demand, cost and our goal of realigning our fee structure to be closer to our comparable municipalities.

Culvert Installation Greater than 600mm Diameter

•Charges for new culverts or extensions greater than 600mm diameter in size will be based on actual cost. The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions and must be prepaid. Should the actual cost be greater than the estimate, the property owner shall be invoiced for any additional costs incurred. Should the actual cost be less than the estimate, the property owner will be refunded the difference.

Sewer Services - Private and Public Property

Division Policies

- If the cause and location of a sewer service blockage can be determined through a sewer service video inspection, charges may be adjusted accordingly.
- The property owner is responsible for charges related to building sewer maintenance crossing both private and public property.
- The term "residential" includes buildings which contain a maximum of three (3) residential units and does not include any other uses such as commercial/industrial/institutional or any combination thereof.
- Property owners are subject to one clearing charge per 12 month period for rodding services only. The 12 month policy does not apply if a clean out, satisfactory to the City Engineer, does not exist on the service and an electric snake is used to clear a blockage.

Building Sewer Clearing and Other Services

- The City cannot provide a copy of any video taken of a property owner's sewer service.
- Tree roots are charged as one charge per 12 month period for rodding only. The 12 month policy does not apply when clean out does not exist and an electric snake is used.
- Charges for clearing blockages on public property (road allowance) will be subsidized up to 100% only if there is a clean out, satisfactory to the City Engineer, on the sewer service. Charges for drain clearing will be forgiven only after the property owner installs a clean out, satisfactory to the City Engineer, on the sewer service and/or repairs any building sewer obstruction on the private side.

Residential

Regular Time (7:00 a.m. to 7:00 p.m., Monday to Friday)	Per Sewer clearing	\$270.50	\$0.00	\$270.50	\$265.46	\$0.00	\$265.46	1.9%
Overtime (7:00 p.m. to 7:00 a.m., Saturday, Sunday and Holidays)	Per Sewer clearing	\$444.30	\$0.00	\$444.30	\$436.00	\$0.00	\$436.00	1.9%

Building Sewer Replacement

Division Policies

Private Property

•All work on Private Property to be completed by private contractors.

Public Property (Road Allowance)

New Building Sewer Connections or Replacements (Storm or Sanitary)

•Charges for new building sewers apply to either storm or sanitary service connections, include a connection to the main sewer, the installation of the service from the main sewer to the property line, installation of a clean-out and the associated restoration works and must be pre-paid.

•The policy of Council and the charges in this schedule are based on a main sewer being available somewhere within the frontage or flankage of the property. Subject to approval from the City Engineer, other situations may be charged based on actual cost. The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, may include the extension of an existing main sewer and must be pre-paid.

•Charges for new building sewers greater than 150mm diameter in size will be based on actual cost/job specific costing

•The fee will be based on an estimate prepared by the City Engineer, will reflect actual site conditions, will include the cost of a manhole (where applicable) and must be pre-paid. Should the actual cost be greater than the estimate, the property owner shall be invoiced for any additional costs incurred. Should the actual cost be less than the estimate, the property owner will be refunded the difference.

•Rates are based on open cut installations in material which can be removed by equipment normally used by City Forces for the work. Installations requiring rock excavation, or any form of boring or tunneling will be charged at actual cost.

Servicing for Semi-Detached Dwellings Where Service Can Be Installed In Same Trench

•A minimum charge of ten (10) metres applies to all servicing where service can be installed in the same trench.

2 - 100mm Diameter - Per Linear Metre	Per Meter	\$621.60	\$0.00	\$621.60	\$610.00	\$0.00	\$610.00	1.9%
---------------------------------------	-----------	----------	--------	----------	----------	--------	----------	------

Servicing for Detached Dwellings and Semi-Detached Dwellings Where Service Cannot be Installed in the Same Trench.

•A minimum charge of ten (10) metres applies to all servicing where servicing cannot be installed in the same trench.

100mm Diameter - Per Linear Metre *	Per Meter	\$414.40	\$0.00	\$414.40	\$406.66	\$0.00	\$406.66	1.9%
125mm Diameter - Per Linear Metre *	Per Meter	\$423.45	\$0.00	\$423.45	\$415.55	\$0.00	\$415.55	1.9%
150mm Diameter - Per Linear Metre *	Per Meter	\$484.70	\$0.00	\$484.70	\$475.68	\$0.00	\$475.68	1.9%
All Diameter sizes greater than 150mm ** *	-	Job Specific Costing			Job Specific Costing			-

•Where the symbol * appears above, the charges in this schedule are subject to a 35% reduction when carried out in conjunction with planned City road, sewer and waterworks.

•Where the symbol ** appears above, the fee may be subject to the extra cost (by quote) of a manhole where the size of the connection is equal to or one size smaller than the City sewer, i.e. a 200mm to a 250mm main.

•New sewer connections for semi-detached dwelling units, where the services can be installed in the same trench, shall be prepaid with the fee being 1.5 times that of individual connection.

•New building sewers requiring a connection to a Regional trunk sanitary sewer will be charged a Regional connection fee in addition to the new service charge. Charges must be pre-paid and property owner must provide written authorization from the Region of Niagara.

Regional Sanitary Sewer Connection	Per Connection	\$1,021.00	\$0.00	\$1,021.00	\$1,021.00	\$0.00	\$1,021.00	0.0%
Manhole (If Required by Region)	-	Job Specific Costing			Job Specific Costing			-

Victoria Lawn Cemetery

Division Policies

- The price of lots and single graves and all other fees and charges herein set forth shall be those charged to bona fide residents of the City of St. Catharines.
- The non-resident surcharge does not apply to mausoleum and columbarium service.
- In the case of all persons not resident in the City of St. Catharines, all such prices for lots, care and maintenance and all forms of interment will be maintenance increased by 20% of the total selling price.
- If the owner of a lot was a resident at the time of purchase but since then has moved out of the City, the rate(fee) charged to inter this individual will only be the non-resident rate if they have been out of the City of St. Catharines for more than 10 years.
