6	4 f)	d) For buildings that contribute to the heritage character as defined in the Port Dalhousie Commercial Core and Harbour Area Heritage Conservation Sub-District Plan, provision should be made to ensure that the architectural features of the building are maintained in accordance with the guidelines in the Port Dalhousie Commercial Core and Harbour Area Heritage Conservation Sub-District Plan.		X		-	<ul style="list-style-type: none"> design measures more appropriately and more specifically addressed in HCD Plan
6	4 g)	d) The views and vistas identified in Views Analysis Map are an important part of the historical character of Port Dalhousie and should be maintained to the greatest extent possible.	√			4.a), Sch. E1-1 C	<ul style="list-style-type: none"> OPA includes Sch. E1-1 C (views, vistas map), & evaluation policies in Sec. 4.a).
6	4 h)	e) The difference in elevation between the harbour/ lake and the commercial development in the Core is an important part of the historical landscape context of Port Dalhousie. New development in the Commercial Core should ensure that the change in elevation from the water to the highest point of the slope remains a discernible landform feature that is not visually obstructed Buildings should step down the slope, conveying the change in level and the slope. Landscaped terraces between stepping levels is encouraged. Stepping levels more than two floors at a time is discouraged, and a maximum of one story at a time is encouraged. On land within a residential designation, building down the slope by more than one storey is strongly discouraged.	√			3.3.1 3.1 , 3.2	<ul style="list-style-type: none"> policy re-aligned in OPA to capture intent of policy to 'step-up' from Lakeside Park. The SP policy applies to the Comm. Core. Area. Stepping down from the 'highest point. of slope' (Gertrude St.) would effectively negate any dev.to the north in comm. core area, and contradicts other policies (height/use permissions, etc.) of the SP. Notwithstanding above, staff have added policy supporting 'stepping down' in res. designations (OPA Sec. 3.1, 3.2
