

Report from Financial Management Services, Director

Date of Report: February 1, 2019

Date of Meeting: April 24, 2019

Report Number: FMS-B003-2019

File: 10.57.12

Subject: Telephone Town Hall – Historical Polling Question Results and Approval of the 2019 Telephone Town Event Date

Recommendation

That Report FMS-B003-2019 be received for information; and

That the 2019 Telephone Town Hall event date of Wednesday, October 23, 2019, for the 2020 budget process, be approved.

Background

A Telephone Town hall event is a live event whereby a vendor, selected through the City's procurement process, calls-out up to 30,000 residents by phone to involve them in the budget process.

On Tuesday, November 6, 2018, the City held their fifth annual, one-hour Telephone Town Hall from 7 to 8 p.m.

For each Telephone Town Hall event held, four polling questions were provided to participants by phone and on-line for their input.

Telephone Town Hall events arranged by the City have proven to be an effective tool to reach out to thousands of residents at a time, keep them engaged and reiterate that the City values resident's thoughts and concerns. Appendix 1 briefly describes the Telephone Town Hall process in relation to the Budget Standing Committee.

Report

Historical Polling Questions

During the Budget Standing Committee meeting on November 28, 2018, staff was directed to provide the Budget Standing Committee with historical polling question results for trend analysis and informational purposes.

As indicated, the City has hosted five Telephone Town Hall events whereby four polling questions, per event, were provided to participating residents for their input. The polling questions and their results for all five of the Telephone Town Hall events are provided

below in Appendix 2. For year to year comparison purposes, historically there was an attempt to keep the polling questions somewhat similar.

2019 Telephone Town Hall Date for the 2020 Operating Budget

As part of the 2020 Operating Budget approval process, staff is requesting the Budget Standing Committee approve the 2019 Telephone Town Hall event date of Wednesday, October 23, 2019.

Also requested at the Budget Standing Committee meeting on November 28, 2018, staff will work with the Mayor and the Budget Standing Committee Chair and Vice-Chair to ensure consistency of questions and data set for trend analysis. The intent is to have three questions that are similar year-over-year and one new question each year.

Relationship to Strategic Plan

Social Sustainability is enriched by providing the Telephone Town Hall event to residents as an opportunity to involve them in the City's budget process, connecting residents with each other's thoughts, keeping open means of communication with residents, applying feedback throughout decision making and providing residents with superior customer service.

Economic Sustainability is also a factor in ensuring St. Catharines remains an affordable city for all demographics.

Conclusion

The Telephone Town Hall event and polling questions are an effective way to keep residents engaged in municipal matters, establish trend lines and for Council and staff decisions to be guided by the values and concerns of residents.

TELEPHONE TOWN HALL PROCESS

BUDGET STANDING COMMITTEE OUTLINE

Timeline	Description
January to March	Determine date for annual Telephone Town Hall, include in the Budget Standing Committee Work plan. Both items are brought to the first or second budget committee meeting of the year to ensure approval.
June to July	Staff will work with the Mayor, Budget Chair and Vice-Chair to develop four polling questions in order to ensure consistency of questions and data set for trend analysis. The intent would be to have three questions that are similar year over year and one new question each year.
September	Chair or designate confirms event host, Tom McConnell.
A few days prior to event	Staff provides host, Mayor, budget standing committee Chairs with script
Night of event	<p>The host, Mayor and Budget Chairs are seated in event room (St. Catharines Fire Station 4, EOC room) to answer questions from residents with the support from City Staff (CAO, Deputy CAO, Treasurer, and Finance staff)</p> <p>Remaining Budget Standing Committee members and Council are invited in advance to observe and listen to the event in a separate meeting room at Fire Station 4, which mirrors the event screen.</p> <p>Media is invited in advance to take a photo</p>
Two days after event	Polling question results are emailed to members of Council.
One week after event	Voicemails and emails left by residents after the event are distributed between Mayor, Budget Chairs and Staff (according to nature of question/concern) to follow-up with residents. 2018 event experienced 53 voicemails and 5 emails.
One month after event	A final report on the telephone town hall event results, which include polling question results and participation statistics, is submitted to the Budget Standing Committee for information purposes.
