Dear Mr. McMullan,

As a long time business resident of Niagara, delivering the best rock in all of southern Ontario, 97.7 HTZ-FM needs your help.

HTZ-FM, along with its morning show team, Biggs & Barr, is putting together a charity hockey team starting in the fall of this year. Our team will be made up of staff, local celebrities and a handpicked group of local listeners.

Here's the thing: Chris Biggs, from our morning show, has never played hockey before. He can barely skate. Our goal is to take a group of adults like Chris and train them over the next several months in the basics of skating and hockey. This process will likely take several months. However, by the end of the training period, not only will they be ready to tackle any rink in Niagara, a handful of the participants will become part of the charity team.

That's the concept and here's where you can help. We're looking for free ice time at rinks in St. Catharines. We're aiming for two hours of ice time a week, starting immediately through until July 18 (Tuesdays & Thursday 12:30pm-1:30pm). In exchange, all the money we raise from our fall/winter charity game will go to the city of St. Catharines Parks & Recreation department, youth hockey programs in St. Catharines or a charity of your choosing. It's entirely up to you and your council. We anticipate playing between 15-20 games, with teams paying for the privilege to take us on. We've already generated interest in this initiative.

This is not a new concept. It has been done by many radio stations and other companies and has always been a massive success. We hope you'll be able to help us and we're looking forward to your response.

Sincerely,

Chris Biggs
